WHAT YOU NEED TO KNOW ABOUT OVERDRAFT AND OVERDRAFT FEES

An **overdraft** occurs when you do not have enough money in your account to cover a transaction. We can cover your overdrafts in two different ways:

1. We have **standard overdraft practices** that come with your account. These practices link your savings account to checking as protection first. Should there not be enough funds in the savings to fully cover the overdraft, we would use Courtesy Pay to pay the item up to your Courtesy Pay limit including Courtesy Pay fees.
2. For a fee, **Courtesy Pay** can cover an overdraft up to your limit should there not be funds available in the savings account.

What are the Courtesy Pay practices that come with my account?

We **do** authorize and pay overdrafts for the following types of transactions:

1. Check and other transactions using your checking account number
2. Automatic bill payments

We **do not** authorize and pay overdrafts for the following types of transactions:

1. ATM transactions
2. Everyday debit card transactions

We pay overdrafts at **our** discretion, which means we **do not** guarantee that we will always authorize and pay any type of transaction. If we **do not** authorize and pay an overdraft, your transaction will be declined.

What fees will I be charged if UPS Employees Credit Union pays my overdraft with Courtesy Pay?

1. We will charge your account a fee of \$22 each time we pay an overdraft using Courtesy Pay. Your account is allowed to be negative no more than your Courtesy Pay limit (overdraft plus fees).
2. There is no limit on the total fees we can charge you for overdrawing your account.

Courtesy Pay is a privilege and can be revoked at any time

I do NOT want UPS Employees Credit Union to authorize and pay overdrafts on my account using Courtesy Pay.

I DO want UPS Employees Credit Union to authorize and pay overdrafts on my account using Courtesy Pay.

Additional deposits are also accepted. Beginning October 15th through December 31st of each year you may contact the credit union to make one withdrawal at no charge. Additional deposits are also accepted. You may withdraw from your Vacations Club Account one time each quarter (every three months) without being charged. TERM SHARE ACCOUNT

Term Share Accounts (AKA Certificate of Deposits) are accounts that offer you a secure way to invest your money for a specified term. Certificate terms range from 6 months to 30 months and require a minimum deposit of \$1,000.00 to \$100,000.00 (see rate sheet). Certificates typically earn higher dividends than share accounts. The interest rate is fixed until the maturity date. Once the certificate matures, you have a grace period of seven calendar days. During the grace period you may deposit or withdraw funds without being charged a penalty. **Note: Term Shares withdrawn or closed before the maturity are subject to a penalty of 90 days of interest on the amount withdrawn.

IRA ACCOUNTS

The credit union offers two types of retirement accounts: the Traditional Retirement Account (IRA) and the ROTH IRA. These accounts are designed for retirement savings. Depending on the type of IRA you choose, your contributions may be tax-deductible and will grow either tax-deferred or tax-free.

The Traditional IRA and the ROTH IRA may be opened as an Accumulative IRA or Term Share Account. The Accumulative account is similar to a savings account and may be opened with as little as \$1.00. The interest rate is variable and is based on the 6 month Term Share rate. Deposits may be payroll deducted and additional deposits are accepted. The Term Share IRA accounts (Certificate of Deposits) require a minimum deposit and are subject to penalty for early withdrawal (see Term Share Account). In addition to the credit union penalty, these accounts are subject to IRS penalty.

Educational IRAs are also available. Please contact the credit union for more information.

DISCLOSURE INFORMATION PROVIDED IN COMPLIANCE WITH REGULATION E

CONSUMER'S LIABILITY FOR LOSS OR THEFT

Prompt reporting of loss or suspected theft or your Credit Union ATM/Debit card is essential for your protection. If a loss or suspected theft is reported within 2 business days, you can lose no more than \$50, should someone use your card. If the Credit Union could have prevented the unauthorized use of your card had you reported within the 2 business days, you could lose as much as \$500. If delayed reporting to the Credit Union of such loss or suspected theft is attributable to extenuating circumstances-hospitalization, extended travel, etc.—the specific period may be lengthened to a reasonable time as deemed by the Credit Union.

CONSUMER'S LIABILITY FOR UNAUTHORIZED USE

Study the ATM/Debit card transaction carefully on all your statements. If a statement shows transactions that you did not authorize, notify the Credit Union at once.

You have 60 days from the date of the statement to report any unauthorized transactions. If you fail to do so you are liable for the unauthorized transactions that appear on the statement or that occur within the 60-day period. You are also liable for any unauthorized transactions that occur after the 60-day period and before you gave notice if these losses would not have occurred had you given notification within the 60 days.
